

South Reading

'Funday out the Front'

Dear

My name is _____ and I live at number _____

I am taking part in this year's South Reading 'Funday Out the Front' on Saturday 11th July 12-3pm. I have also volunteered to be the host for our street and so I would like to invite you and your household to join in as well – it's going to be a great afternoon!

If you're interested, please let me know and we can chat about it and make sure you have all you need to take part and we can stay connected as a street during the event.

Here are the basics of what it means to participate on the day:

- each household will set up their own garden party in their front garden, driveway, balcony whatever you have, between 12 and 3pm on the day.
- we'll each get 5m of bunting for free to add to our own decor.
- listen in to RG2Radio.com who'll be providing the music and vibe for the day.

Do contact me (details below) to find out more and sign-up directly at www.syc.life/srcfd.
